

Axilla Productions, in conjunction with one of the premier adult modeling agencies, Internet Modeling, specializes in the recruitment and hiring of performers for high paying webcam, adult opportunities. If you've got a webcam and you're attractive, you've got the potential to be successful. If you love to express your sexuality, then this is a fun, exciting opportunity.

You do you ... use your sexual talents creatively to appeal to potential customers.

You have the option to do solo, couple, or group situational performances.

Dependent upon how much time you spend online, performing can be very lucrative.

Paychecks are distributed weekly with the option of direct deposit or having them mailed to you. We provide you with priority traffic, appearing on the largest network of high traffic adult websites with over 5 million visitors per day. You set your own hours and schedule.

You'll have the ability to track your earnings, communicate/network with clients and much more.

Founded in 1998, Internet Modeling is one of the oldest and most experienced online modeling agencies, representing over 50,000 webcam models from all over the world. The agency recruits for the largest network of adult with over ten million visitors per day.

We are currently seeking female, male, gay, couples, etc. performers who are needed for webcam work from home full or part time. Some of our highest paid performers regularly make over \$2,000 per week working from home.

Another advantage of working as a webcam model is that you are your own boss. You can pick your own hours, and work from home or any location of your choice. There is no limit to how many hours you work, and you can stop performing at any time. You do not need to buy expensive equipment, as our webcam software works across devices running Windows or Mac. If you have a webcam, high speed Internet, and a laptop or PC, you are ready to work and make money performing.

No matter what day or time it is, performers can always count on having many viewers and fans. Working on our network, there is never a dull moment, because we have over 200 high traffic sites on which our models appear. Performers log in once, but they are seen on many websites at the same time, maximizing their exposure and earnings.
